A487 THROUGH FURNACE AND EGLWYSFACH: At their September meeting, our Community Council again discussed the idea of clearing the verges. The Community Council resolved to write again to the County Council and the trunk road agency to explore this suggestion and await their reply. They also discussed our doing another march on the road, inviting the new MP for Ceredigion, Mr Ben Lake, to come and walk with us. They hope to organise this before their next council meeting in November. Watch this space!

THE RS THOMAS FESTIVAL AND POETRY COMPETITION was a great success, and we should like to thank Anita Major, Joy Neal and Alison Swanson (alphabetic order) who worked like Trojans, and everyone else who helped. It was beautifully organised and a lovely occasion; we have received many messages of thanks.
